GoWesty Air Hook-Up Box Installation Instructions

- This hook-up box allows you to install an external outlet for an on-board compressed air system. If you have a full camper; you can replace one of your existing hook-up boxes with this one, or you can add an additional opening to your vehicles body and have four hook-ups.
- This hook-up box is designed to work *in conjunction* with the ARB compressor hose kit part #171302 (not included). First, remove the plastic cover from the fitting. The flange for the ARB outlet fitting bolts directly to the back of the box utilizing the four included #8 screws, as shown on the right.
- ARB hose kit #171302 comes with the fitting shown, an external hose, and filling accessories. The kit DOES NOT contain the necessary plumbing to hook up to your compressor and/or air tank, offered separately.
