SHURFLO-ADAPT
Adaptor for Installing Shurflo Faucet
in Vanagon Camper

Installation Procedure

NOTE: This allows a Shurflo faucet to be installed in your Vanagon full camper. Will run on-board water tank ONLY. It DOES NOT allow city water functionality.

- Remove old faucet.
- Install adaptor plate to original faucet location using provided stainless steel screws. A thin smear of sealant (silicone works well) is recommended to seal the junction.
- Install Shurflo faucet into adaptor plate.
- Connect tank water hose to inlet nipple.
- Crimp the new connectors on the wires and plug them in (wire location does not matter).
